

Livable Neighborhoods, Inc.

Common Council (District 7)

GARY W FADESKY
825 S. 20th St.
782-5082

#1. I have stated many times:
"No ROAD through the MARSH"

#2. We do not need ^{ANY} MORE LANES ON OUR
ROADS, AND WE DON'T WANT TO REMOVE ANY
OF OUR TAX BASE.

#3. This is ALL something for Jim Flottmeyer
to WORK ON AND decide what to
BRING to Council.

#4. We CAN'T continue to cut city STAFF
AND MAINTAIN ANY level of services.

#5. I introduced Resolution 17-0144
(Ebner Covlee Floodplain Model)
HAVE ALSO helped get OUR Elevation
Certificate program started, AND the
FEMA HAZARD Mitigation GRANT Program.

#6. IT'S VERY Simple:
SLOW TRAFFIC down.

#7, It comes down to early education programs AND HANDS ON PARENTS.

#8^{A.} Conditional use permits for parking lots for 5 or more vehicles = NO

B. Street Amenities utility: I would consider it.

C. Multi-Municipality fire protection: This would be something worth looking at.

D. Alcohol conditional use permits: NO, they have enough regulations in place.

#9, Right now we have a GREAT MAYOR..... SO NO.

Please note, 8 years ago when I RAN FOR MAYOR I TALKED ABOUT THAT BEING THE WAY TO GO. (City Admin.)

#10, YES

#11, I think our City staff is TRYING to do A good job. I also believe lots of people CAN'T MAKE the improvements they would like to. (CAN'T AFFORD)

#12, Communication is A big PROBLEM. And we have to continue to solve problems with NUISANCE PROPERTIES.

#13 Again, let Jim Flottmeyer
do his job.

#14. I guess I would be okay with
this. However, I would like to study
it more.

#15 I worked for the city 22 years,
I know ^{how} it works. I WORK HARD
FOR THE TAXPAYERS, AND I TRY TO
SOLVE PROBLEMS. (LAST 2 YEARS)

Thank you!
Gary
